

## CONTRACT OF COMMITMENT TO TBCC

TBCC distributes concert and rehearsal schedules in advance so that families can plan accordingly. TBCC asks that rehearsal and performances take a *very high priority* in each child's life.

### ALL CHORISTERS AND PARENTS MUST SIGN THIS SECTION

#### CONTRACT OF COMMITMENT TO TBCC

If my child is admitted as a 2012-13 member of one of the choirs in the Tampa Bay Children's Chorus (TBCC), I understand that he/she is required to participate in all rehearsals and performances and I commit my child to attending each and every 2012-13 rehearsal and performance.

I understand that missing 4 rehearsals jeopardizes my child's chance of remaining in the Chorus for the 2012-13 season.

I understand that my child is making a one-year commitment to the Tampa Bay Children's Chorus program and I commit my child to participate in the entire season, August 2012 to June 2013.

I understand that I am making a financial commitment for the tuition for the entire season and that if my child does not participate in the full length of the season for any reason, I will honor that commitment.
