

Tampa Bay Children's Chorus 2013-2014 Chorister Referral Form

The Tampa Bay Children's Chorus is eager to welcome new choristers into its program! Current chorister families and alumni are our biggest advocates and play a vital role in spreading the word in the community about the exciting opportunities TBCC has to offer all children and youth who love to sing. We have ensembles appropriate for grades 2-12 and for all experience levels.

TBCC offers current chorister families the opportunity to recommend other children who have a love for singing. As an incentive for new chorister recommendations, we are offering \$50 toward your chorister's tuition or tour fund in the 2013-2014 season for each new student recommended for TBCC. **Please note: these new students must audition, be accepted, make their registration and first tuition payment in order for your chorister to be eligible for the credit.*
